

TANISHK NAVLAKHE

Business Operations | Data & Documentation

Indore, India | +91 9175197337 | navlakhetanishk@gmail.com | linkedin.com/in/tanishk-navlakhe | github.com/Tanishk2006

Summary

B.Tech CS undergraduate with strong English communication, data reporting, and documentation skills. Curious about B2B revenue operations and eager to learn through real client work.

Education

VIT Bhopal University

2023 – 2027

B.Tech in Computer Science & Engineering, CGPA: 7.5 / 10.0

Skills

English Proficiency (Written & Spoken), MS-Excel, Google Sheets, SQL, AI Tools (ChatGPT, Claude, Gemini)

Training Program

Advanced Software Engineering & Development

Jun 2026 – Aug 2026

MP Online, Virtual

- Coordinated a full-cycle Library Management System project across requirements gathering, development, and testing
- Authored structured IEEE-format documentation translating business requirements into clear technical specifications
- Consolidated user feedback from usability testing into actionable workflow improvements

Projects

InboundLeadFlow | Lead Pipeline Simulation

- Designed and built a simulation of a HubSpot-style inbound lead pipeline covering lead intake, lifecycle stage assignment, qualification, and routing logic
- Demonstrates understanding of how CRM data flows and lead management processes work in a RevOps environment

RetainIQ | Data Structuring & Reporting

- Built a data structuring and KPI reporting tool for 1,000 simulated client accounts with churn segmentation and automated executive dashboards

AI-Powered Personal Finance Advisor | Generative AI Application

- Combined a rule-based analysis engine with the Claude AI to generate personalized financial recommendations from structured data

Certifications

Oracle Cloud Infrastructure 2025 Data Science Professional Certificate (Oracle, valid till Aug 2027)

Extracurricular Activities

Backstage Coordinator

School Annual Function & Teachers' Day Events

- Managed live event sequencing, cueing performers and briefing upcoming teams to keep the programme running smoothly
